REQUEST FOR CORRECTION OF FILING RECEIPT

Applicants hereby request that the filing receipt data of the above-identified U.S. patent application as listed on the records of the Patent and Trademark Office be corrected.

In the "Title" field, after "using", delete "desplacement" and insert --displacement--.

A copy of the Print EFS Patent Application Bibliographic Data filed on October 26, 2000, is enclosed herewith indicating the correct residence address of the first inventor and the correct title of the invention.

The Print EFS Patent Application Bibliographic Data shows the residential address of Mr. MATSUDA to be Takarazuka-Shi, Hyogo-Ken, Japan. Thus, the city of residence is "Takarazuka-Shi", while the prefecture of residence is "Hyogo-Ken".

MPEP 605.02 indicates that the residential address should be "the city and either state or foreign country". Thus, if the Filing Receipt is to be less than that which is recited in the Declaration, it should at least correctly identify the city and country.

Accordingly, it is respectfully requested that the first inventor's residence address and the title of the invention concerning the present application be corrected.

It is believed that no fee is incurred by this filing. However, if it should be determined that a fee is required, please charge any fees (other than an issue fee) required during the pendency of this application to Deposit Account No.18-1260. Please credit any overpayment to Deposit Account No. 18-1260.

Respectfully submitted,
